

Agaliu is an old word from north-western Catalonia meaning 'hope', confidence in being able to make a wish com true. Our wish with this wine is to reinterpret our origins seeking new expressions with a variety like the Macabeo, which we work to make subtle, sophisticated wines.

# WHITE WINE 2021

DO Costers del Segre Sub-area Valls del Riu Corb

# Varieties

Macabeo (100%)

# **TERROIR**

### Weather

The climate is continental Mediterranean, with cold dry winters and hot summers tempered by the soft breeze blowing in from the sea in the evening that cools the night, particularly during ripening season. The scarce rainfall is concentrated in autumn and spring (350-450 mm yearly).

## Original land plots

Vineyards around Vallbona de les Monges in the Corb River Valley subzone of the Costers del Segre DO. Plots characterised by the drystone walls that surround the vineyards, preserving the fertility of the soil and the efficiency of the water.

#### Soil

Chalky clay soil with variable levels of stoniness and depth.

## Features of the 2021 vintage

The 2021 vintage was close to the average of the sub-area, in contrast to the last three years, which had been more heterogeneous. The snowfall in January loaded the depth profile of the soil and this allowed the plant to reach the harvest with moderate water stress, ideal for the final quality of the fruit. A single episode of rain during the harvest allowed us to harvest in very good sanitary conditions. In terms of temperatures, it has been a year with exceptionally high peaks in June, August and September, with a usual average for the rest of the year and with cool nights during September and October, which has allowed a very balanced maturation.

# THE WINE

### Viticulture and wine processing

Certified organic dry land farming. We harvest the grapes manually and press them whole, including seeds and stems. The wine is fermented at a controlled temperature (15-17°C) in American (80%) and French (20%) oak barrels, with a new wood percentage always under 15% to respect the Macabeo variety traits. It is aged on the lees and stirred (battonage) every week during the 3-4 month ageing period, creating a more full-bodied palate and subtly and elegantly incorporating the woody notes into the flavour of the wine.

### **Analysis**

Alcohol content: 12%

Total acidity: 3.38 g/l (sulphuric acid)

Volatile acidity: 0.35 g/l

Residual sugar: 0.4 g/l (glucose+fructose)

Total sulphur: 70 mg/l

# **Tasting notes**

Straw yellow colour, bright aspect. Intense nose with aromas of white fruit reminiscent of pears. Subtle and elegant, the notes of aromatic plants and the aromas of brioche stand out. On the palate it is fine and well balanced and calls to mind white fruit with good acidity that gives it depth and a long aftertaste. Pairs well with all types of rice dishes, ceviche and grilled vegetables.

### **Awards**

#### Peñín Guide:

2023: 91 points (2020 vintage) 2022: 91 points (2019 vintage) 2021: 91 points (2018 vintage) 2020: 91 points (2017 vintage)
